

Conference Participation Agreement

Conference registration is intended for individuals participating in the event for professional learning, networking, and collaboration. By registering for the conference, you agree to the following terms and conditions.

1. Registration does not permit individuals or organizations to use the conference as an opportunity to solicit business, promote or pitch products or services, recruit clients, conduct sales activities, or develop business opportunities.
2. Vendors, consultants, service providers, and other organizations wishing to promote their products or services or engage attendees for business-development purposes must participate as an approved, paid conference sponsor.

This agreement is intended to protect the conference experience for all participants and to ensure fairness to the organizations that financially support the conference through formal partnerships and sponsorships. Those who register as general conference participants are expected to honor these boundaries throughout the event.

Individuals or organizations wishing to engage in promotional or business-development activities should contact the conference organizers (ktate@vtvsa.org or acallan@vtvsba.org) about available sponsorship opportunities.
